- 2 heat settings & flame only function
- Adjustable flame color & brightness
- Automatic thermal safety shut off
- CSA certified

Enjoy comfortable warmth anywhere in your home with the Savona 59-in. electric fireplace media stand. This fireplace is packed with convenient features like dual-heat settings, a 9-hour timer and a remote control. Apart from being a stylish media stand, it also brings the cozy ambiance of a natural fireplace to your home without the extra expense of purchasing wood or constant maintenance. The mantel top can accommodate flat panel TVs up to 60-inches, while the A/V shelves underneath can house additional media components. There are four adjustable storage compartments behind two glass doors that provide plenty of room for games, DVDs, or showcasing some of your favorite decor.

The multi-color LED insert produces 5,115 BTUs of fan-forced heat that quickly warms a 210-sq. ft. room. An enchanting flame display dances across the back of the firebox, creating movement that is sure to catch your eye. Embers of light glaze across the logs within, adding more depth to the realistic display. The brightness, flame color, and heat settings can be adjusted at the push of a button, and the flames can operate without heat—perfect for use throughout the year.
