FARM®

The Southern Peace Pine Collection

Our 10-ft. Southern Peace artificial Christmas trees feature traditional full silhouettes, extremely lifelike foliage and all-metal hinged branch construction. Each model is specially crafted using the finest materials to not only look realistic, but to provide you with many seasons of use and enjoyment as well.

The tree needles are constructed out of non-allergenic and flame-retardant materials then painted multiple hues of green so no two are exactly alike. Together these details create the look of a natural tree and requires hardly any maintenance. With Fraser Hill Farm, enjoy all the long-term benefits that come with owning an artificial tree. Imagine never having to shop, chop, and pay for another natural tree again. With the Southern Peace Pine, simply unfold out of storage and decorate!

LIGHTING OPTIONS FOR PRE-LIT MODELS

Eliminate the frustration of untangling your tree's string lights each year. We offer a variety of pre-lit models that includes a system of lights that are prestrung, evenly distributed and bound to the frame. Each option offers a variety of color, bulb types and displays for you to choose from.

CLEAR SMART LIGHTING

Includes a system of classic clear bulbs that will remain lit even if one burns out. Each bulb projects a brighter light and further accentuates the tree as well as all ornaments placed around it.

CLEAR LED LIGHTING

Produces a clear timeless display and operate off low voltage power. The LED bulbs are long lasting so you won't have to worry about replacing them each year.

MULTI-COLOR LED LIGHTING

The multi-color LED lights offer the most variety on how your tree lights up. You have the option of choosing one color, multiple colors or the classic clear display to light up your tree.

ACCESSORIES INCLUDED WITH ALL MULTI-COLOR MODELS

All multi-color lit models include a wireless remote control and convenient foot remote connected to the power cord. Both allow you to control your tree's display by alternating colors and patterns at the touch of a button.
