

Let your small outdoor space make a big impression with the Bali 3-piece chat set from Mōd. What you may lack in space, make up for in style with this modern collection including two cushioned accent chairs, and matching end table. Inspired by mid-century modern design, the sloped, wingback-style frame chair is complemented by a mixed media open-weave wicker that gives a nod to the rattan furniture trend of the 1950s. The chair may be design-forward with its sleek frame and trendy splayed legs, but the true focal point of this chair is comfort. Upon taking a seat, you'll be cradled by the plush 4-sided cushions and you won't need to look far for a landing spot for a cool drink or your fave snack thanks to the conveniently compact end table. Coming in at just under 14" tall, the end table is designed with the same steel frame and matte black finish as the chairs. Spend all your future nice days outdoors enjoying the Bali 3-piece chat set.
