

Conrad Folding Dining Set

With the Conrad 5-piece folding dining set, outdoor entertaining in smaller spaces is trouble-free. This versatile aluminum set includes four folding sling chairs and a functional yet stylish slatted table ready to use wherever and however you need it. When not in use as a dining table, the legs fold in and the tabletop folds in half on top of itself to create a modern console table.

Each chair features a durable sling seat and backrest that are bound to slender yet sturdy frames. These portable chairs are lightweight and fold down flat, making it easy to move them around and transfer in and out of storage. Perfect for small patios, decks, and balconies, the Conrad all-weather modern dining set provides a place to dine or serve outdoors without taking up too much space.
