

FRASER HILL FARM®

20-In. Victorian Boy Christmas Caroler Figurine

Here We Come, A-Caroling! Make spirits bright this Christmas with Fraser Hill Farm's animated musical figurines! Our music and motion Victorian Caroler will fill your home, office, cabin, or shop with the magic and wonder of the holiday season. Dressed warmly in his brown tweed coat, plaid trousers, scarf, and cap, this adorable boy holds his songbook as he sings for you. His sweet face and hands are crafted from porcelain.

When you plug him in, he will move his arms in and out as he sings Jingle Bells. Display him alone or pair him with our variety of carolers (each sold separately). Sure to become a cherished heirloom to be passed down through the generations, our designer figures will add a beautiful display to your foyer, in your favorite window, next to your Christmas tree, or anywhere inside your home that makes you happy. Make your winter wonderland dreams come true or gift it to that special someone on your list for many years of enjoyment.
