

Festive CAMO Christmas Trees

Merry Camo Christmas! Crafted of realistic hues of green and brown pine branches found in nature all year long, this Festive Camo Christmas Tree, from Fraser Hill Farm, will be the main feature of your camouflage themed holiday.

A fun alternative to a traditional Christmas tree, bring your passion for the outdoors inside with this likelike tree. Your family will love gathering around and adding their favorite fishing and wildlife themed ornaments to this spectacular tree.

Designed using high-quality non-allergenic PVC, this beautiful artificial tree will last season after season. Simply unfold out of storage and decorate.

We offer our camo models in a variety of sizes with and without prestrung lighting - details in chart below.
