

Northwood Potted Tree

Spruce up your home this holiday season with the rustic appeal of a Northwood potted tree from Fraser Hill Farm. With the Northwood Collection, you can spend less time and money replacing natural garland, trees, and wreaths every year. Instead, invest in one of our premium artificial designs that will provide decades of use.

This tree features luscious green foliage and is made with quality, maintenance-free materials that will last season after season. The branches display multiple shades of green PVC needles with pine cones and red berries scattered throughout. Simply unbox, fluff the branches, and enjoy the beauty and long-term benefits that come from owning an artificial design from Fraser Hill Farm.
