

8-Ft. Santa Lane Archway

Add some whimsy to your neighborhood this holiday season with the Santa Lane Archway from Fraser Hill Farm. Guests will truly feel transported to a Christmas wonderland with this unique arch.

Featuring incredibly lifelike foliage and all-metal hinged branch construction, this amazing arch can be used as a wondrous frame around your door, along a pathway, or wherever your imagination leads you. The needles are constructed from non-allergenic and flame-retardant materials, and then painted multiple hues of green so no two are exactly alike.

- Stands 8-ft. high with a 33-in. diameter on each tree
- 2 traditional pine trees joined at the apex by a full and lush pine arch
- Includes 2 durable metal folding bases to provide stability all season long
- 1-year limited warranty
