

Vault Series

Featuring a black Pro-style handle

Experience a taste of luxury with Hanover. When it comes to entertaining with style and convenience, trust Hanover's line of premium quality beverage centers, wine coolers, and ice makers to keep your refreshments at the precise temperature for your enjoyment.

Your favorite craft beer collection will find the ideal home on stainless-trimmed glass shelves in our deluxe beverage centers. For the wine connoisseur, proudly display your cherished wines on stainless-trimmed Beechwood shelves in our superb wine coolers. With our stylish automatic ice makers, you will never run out of ice again which is the ideal solution for your next gathering.

Designed for freestanding and built-in installations, Hanover provides several collections with unique handles to blend perfectly with your decor. Offering our black Pro-style handle, The Vault series features easy-to-use touch control panels. Invite innovation, quality, and convenience into your home by choosing Hanover.
